## (Translation)

When I was a child

I rode my bike with my friend on the back

We rode far and wide

Looking for adventure

Blow off school MAMACHARI

Gotta get outta my house MAMACHARI

Got a hole in my tire MAMACHARI

Heading for an adventure MAMACHARI

I caught my eye on my first bike

At a used bicycle shop

From the basket to the carrier it was all beat up

It was love at first sight

At my first day of work MAMACHARI

On my honeymoon MAMACHARI

At the birth of my child MAMACHARI

When I break out of my retirement home MAM,

When I'm old and grey

I'll aim my bike at the milky way

And ride off into

The sunset

Swerving down

The middle of the road

Not a care in the world

Just me and my 'mamachari'

To the moon MAMACHARI

Until the planet Mars MAMACHARI

To another galaxy MAMACHARI

Until the day I die MAMACHARI
